

CITY OF MISSION- SPRING TREE SALE-2010

TREE'MENDOUS OPPORTUNITY TO RE-LEAF MISSION!

Tree planting is an important part of our Kansas Heritage. **The Mission Tree Board**, a volunteer citizen group, actively promotes the planting and proper maintenance of trees and other plants within our community. Trees improve the quality of life by enhancing the beauty of private lots and community, while increasing property values from 13 to 21 percent. Planting a tree can be a proactive act and personal statement that says you care about our environment and our future.

The City of Mission, along with the Mission Tree Board, is proud to offer our residents and business owners the opportunity to acquire trees at wholesale prices.
