

# Swim Lesson Information

Contact the Aquatics Coordinator, Jenna Dickman at [jdickman@missionks.org](mailto:jdickman@missionks.org) or by phone at 913.722.8207 for questions regarding Swim Lessons, Private Swim Lessons and any concerns regarding the pool.

## Choosing the Correct Level

Sylvester Powell, Jr. Community Center offers youth swim lessons starting at six months to fifteen years old. Review the skill sets listed on page 7. If your swimmer can do the skills listed with ease, enroll in the next level; if they cannot, enroll in that class. Repeating a swimming level is okay as some skills take more practice than others. If you would like a complimentary swim assessment because you are unsure of your child's swimming ability, call the aquatics office to schedule. Please register 4-5 days before the class starts as lessons will be cancelled if class numbers are low.

For questions or concerns contact the Aquatic Coordinator at 913-722-8207 or email [jdickman@missionks.org](mailto:jdickman@missionks.org).
