

## Community Rebate Program

The Community Rebate Program helps alleviate the tax burden on income-qualified Mission residents by returning a portion of collected fees and taxes each year. The program is funded annually by the City Council from the general fund. This year, \$20,000 in rebate assistance is available to the community.

In 2022 homeowner rebates are available up to the amounts listed below:

- **50% of the Mission Solid Waste Utility Fee**, and
- **100% of Mission Property tax** (excluding special assessments), and
- **100% of Utility Franchise Fees.**

Refunds are issued per household. Residents who rent in Mission are eligible for a rebate of utility franchise fees only.

**1<sup>st</sup> round of applications are due at City Hall by April 5th, 2022. Neighborhood Services staff will review all applications *after* this time. Rebates will be distributed as funds allow and all applicant checks will be mailed out *after* April 19th, 2022.**
