CITIZENS POLICE ACADEMY

Police Chief Ben Hadley is excited to announce the Mission Police Department's 2020 Citizens' Police Academy. This ten-week program will run Thursday evenings from March 5th, 2020 through May 7th, 2020. Classes will begin at 6:30 pm and end around 9:00 pm, and are designed to be both educational and enjoyable.

Our goals are to introduce ourselves, to share our enthusiasm for the work we do, and to give everyone an opportunity to better understand how the Mission Police Department works. During the academy you will be exposed to these and many other topics:

Criminal Investigations

Death Investigations

Patrol Operations

DUI and Traffic Enforcement

Less-Lethal Weapons

Interview and Interrogation Techniques

Domestic Violence Situations/Response

Search and Seizure

Defensive Tactics

Firearms

You will also be afforded behind the scenes tours of the Johnson County Adult Detention Center, Johnson County Emergency Communications, and the County's state of the art Criminalistics Laboratory.

The Academy concludes with a graduation dinner on May 07, 2020 to celebrate your achievements. Graduates will receive a framed diploma and learn about future events where you will have the opportunity to assist your police department. The academy is offered at no cost, but applicants must reside or work in the City of Mission, be at least 18 years of age, and pass a background check.

If you would like to submit an application for the 2020 Mission Citizens' Police Academy, please contact Staff Support Sergeant Robert Meyers 913-676-8333, or email rmeyers@missionks.org. Space will be limited to twenty (20) participants.
