We hope you didn’t miss Ward 4 Night at the Market this week!

Thanks to all the volunteers who helped with set-up, staffing the information booth and in a number of other ways — even if it was just to stop by to say “hello.”

Ward IV Councilmembers Sollie Flora and Ken Davis were “front and center,” and Councilmember Davis even found time to join the Good Sam Club Band to show off his “mad” harmonica skills!

Just two more weeks of the market remain in the 2019 season. Come down and join us!

Did you know?

Our friends at Sandhills Brewing (5612 Johnson Drive) are proud to provide their servers with a living wage without the need for tips. Any tips they do receive are set aside and allocated for charitable donations.

In Mission, the tips go toward the City of Mission’s Charitable Fund to be used for Mission’s Family Adoption Program.
Weekly Top 5

- Staff held a mid-year review with the cities we currently provide animal control services to this week. It was an opportunity to review new reporting tools and to check on satisfaction with the program. We received great feedback and kudos go not only to our CSO’s, but also to Capt. Kevin Self and Sgt. Rob Meyers for their administrative oversight of the services.

- Staff and several members of the City Council attended the NEJC Chamber’s “State of the School District” luncheon where Dr. Fulton presented information on the District’s strategic plan and other important goals and initiatives.

- The City is currently recruiting for the following positions: Court Clerk, Public Works Crew Member. If you know anyone who might be interested in working for Mission, please direct them to the website for more information.

- Communication will go out next week to residents and businesses adjacent to the Rock Creek Channel with information on the project schedule and anticipated impacts.

- Information on the revised MFAC hours and the closure of the Community Center have been widely publicized on the website and through social media. The reduction in pool hours is a direct result of the fact all of our guards go back to school and are unavailable!

City of Mission - Employee Profile

Brooke Hagerman—Community Service Officer
Employee since: January 16, 2019

What do you do?

I do light police duties for Mission like fingerprinting, and I do animal control for Mission and several other cities in NE Johnson County.

What do you like most about your job?

The thing I like most about my job is getting to fulfill my calling of helping animals and also having a chance to do so much more.

How does your work impact the lives of Mission residents?

What I do for the city helps keep the residents, and their pets, safe from dangerous animals, wild or pets, and also gives them the peace of mind knowing that if they need us, we will always be there to help.

Shredding and e-Cycling Event Scheduled

Saturday, September 21
9:00 a.m.—noon
4350 Shawnee Mission Parkway

On-site shredding and secure e-Cycling will be provided to residents of: Fairway, Mission, Mission Hills, Mission Woods, Roeland Park, Westwood and Westwood Hills. Paper shredding is FREE, PC Monitors ($20), TVs ($25) and anything else with a cord is recycled for free!

October 12 will be here before you know it! Mark your calendars now for the 2019 Mission Sunflower Festival hosted by the Mission Business Partnership.

A full line-up of activities and events are in the works, including the parade. It is shaping up to be a fun-filled day/evening with activities and fun for all ages.
