Staff will recap information presented at the February 10 and May 19 work sessions regarding renewal of the ¼-cent street sales tax and review the mail ballot election calendar that has been established. Options and preferences for a final sales tax rate will be discussed in preparation for drafting ballot language for Council approval in June.

Staff will present the three recommended project approaches from consultants at the CTS Group. The recommendations come following a detailed analysis of the energy needs of the City and the anticipated cost of each improvement.
