AGENDA

1. Outdoor Parks Conceptual Planning Update – Laura Smith/Penn Almone

Over the last 12-18 months, Mission has been engaged in conceptual planning processes for several of the larger outdoor parks within our system. The pandemic slowed the originally anticipated timeline. However, even though all the parks have not yet been through the complete planning process, it is important to take a step back and evaluate where we are and what additional information, discussion, planning needs to occur in order for decisions to be made surrounding renewal of the dedicated Parks and Recreation Sales tax which will expire in March 2023.
