MINUTES OF THE MISSION SUSTAINABILITY COMMISSION

Monday, April 13th, 2026 - 6:30 P.M.

Mission City Hall

DRAFT UNTIL APPROVED

In attendance: Alexa Root, James Robins, Terri Baugh, Lynn Bain, Mike Patterson, Josh Thede
Council Liaisons present: Ben Chociej, Josepha Haden Chomphosy
Staff: Justin Carroll
Guests: None

- Welcome and Introductions
- Public Comment
 - None.
- Sustainability Moment
 - Cathy emailed the group and noted the new environmentally friendly cups being utilized by Southwest Airlines.
 - Alexa and Ben also shared two sustainability moments with the Commission.
- Approval of the March 2, 2026 meeting minutes
 - Mike moved to approve the meeting minutes. James seconded the motion. The Commission approved the motion.
- Bunny Eggstravaganza Booth Recap
 - The change to wildflower seed packs giveaway at the SC booth was an overwhelming success. In fact, the booth ran out!
 - Simple and effective item to draw interest and promote sustainability.
 - Additional conversation about possibly redoing the recycling questions to make them more children friendly and to laminate the game wheel to ensure its longevity.
- April Citywide Cleanup Reminder
 - Reminder everyone has to register individually and sign the waiver. Terri would pick up the materials for SC members who are participating with her group.
- 2026-2027 Strategic Planning Retreat Debrief
 - James gave an summary of the recent retreat including the draft summary document.
 - SC is set to give their annual update to the City Council soon so there was discussion about the format of that presentation in light of wrapping up the retreat.

- There was continued discussion from the retreat regarding the battery recycling program and the GoGreen! Environmental Fair with Terri and Cathy's pending retirements from the event.
- Overall, the group was in agreement that focusing the next two years on specific, achievable items should be the focus.
 - Exploring a green business award/certification seems to have the most consensus as an immediate project to start working on.
- Meeting agendas moving forward should also be more targeted to align with these goals.
- There was also discussion regarding being realistic about expectations and time commitments.
- Lastly, Josh and James were going to meet offline prior to the May meeting with the goal of having a more finalized strategic plan summary the SC could formally adopt.
- Sub-Committee Updates
 - Communities for All Ages
 - No updates.
 - Recycling
 - Terri would be doing her annual Recycling 101 class at the PCC on Tuesday, 4/21, in recognition of Earth Day.
 - Scorecard
 - Justin will reach out to the Mission Flats and Mission Vale properties regarding their interest in validating and receiving their scorecard plaques.
- Standing Updates
 - Park, Recreation and Tree Commission Updates
 - PRT would like to better coordinate when members will be attending each other's meetings. PRT will attend the May SC meeting and at the May SC meeting we will need a volunteer to attend the June PRT meeting.
 - Council Liaison Updates
 - Josepha shared a recently approved City Council item regarding stormwater master planning. The hopes of cancelling the old contract and approval of this new vendor and contractor will result in much better outcomes for stormwater master planning of Mission's entire collection system.
 - Staff Updates
- Reminders and Announcements
- Review of Action Items
- Adjourn
 - Terri moved to adjourn the meeting. Josh seconded the motion. The motion passed. The meeting adjourned at 8:00 p.m.

The next regular meeting of the Sustainability Commission will be in person at a to be determined location and time on Monday, May 4, 2026.
