Choosing the Correct Level

PCC offers youth lessons ranging from 6 mos-12 yrs. Review the skill sets listed on page 9. If swimmers can do the listed skills with ease, enroll in the next level; if not, stay. Repeating a level is great because skill development is individualized. Call the aquatics office to schedule a complimentary swim assessment if you are unsure. Register at least 7 days in advance to avoid low enrollment cancellation.

Contact the Aquatics Coordinator, Jelissa Colbert, at jcolbert@missionks.org or by phone at 913.722.8209 for questions regarding Swim Lessons, Private Swim Lessons or general pool concerns.
